ABOUT ME

A highly skilled and dedicated User Experience Designer with 1 years of experience in creating intuitive and engaging digital experiences. Seeking an opportunity to apply my expertise in UX design to contribute to the success of a forward-thinking organization.

PROFESSIONAL EXPERIENCE

Virtusa PVT LTD

Associate Engineer / User experience design

2022 Jan. – Present

Key responsibilities:

- Led the UX design process, collaborating with cross-functional teams to create user-centered designs for web applications.
- Conducted user research, including interviews and surveys, to gather insights and inform design decisions.
- Created wireframes, user flows, and interactive prototypes to visualize design concepts and facilitate feedback.
- Developed and implemented information architecture to ensure intuitive navigation and optimal user experience.
- Conducted usability testing sessions and incorporated user feedback into design iterations.
- Worked closely with developers to ensure the successful implementation of design solutions.
- Collaborated with visual designers to create visually appealing and consistent user interfaces.
- Contributed to the improvement of design processes and standards within the organization.

BuiltApps PVT LTD

Trainee mobile application developer

2021 Feb. – 2021 Aug.

Key responsibilities:

- Supported senior developers with UX designing and UI development

IN-HOUSE PROJECTS

Learning management system for Tasit university

- User Research, User stories, Information Architecture, Wireframing and Prototyping, Visual Design
